

Seafood Special

Arctic Char

PPF# 9048

8-12 oz. avg.

Skin on filet with a few pin-bones

With a nice red color to the flesh, these farm-raised filets from Norway boast a firm texture making it a prime entrée choice.

Let the delicate yet distinct flavor stand on its own by baking, broiling, grilling or pan searing and pairing with light seasonings or sauces. Arctic char has a slightly milder taste similar to Salmon or Trout.
